

Transportation and Environment Committee
300 Capitol Ave.
Hartford, CT 06106

Hello,

My name is Joy Bonitz and my address is 73 George Ave, Cheshire, CT. I support the following bill because I believe that we must begin to reduce the emissions of our vehicles by increasing utilization of electric vehicles as soon as possible in order to combat climate change and protect human health.

SB 4 - AN ACT CONCERNING THE CONNECTICUT CLEAN AIR ACT

Thank you,
Joy Bonitz
